

As a non-profit making organization, Arise and Shine relies on the generosity of individuals to provide its children with a second chance at life. We endeavor for 100% of any gift received to go directly towards the work of our home and seek to help as many children as our finances allow.

Child sponsorship is one of the best ways of supporting the children at Arise and Shine and costs just £18 per month, that's less than 60 pence per day. If you decide to Sponsor a Child, you are partnering with us to rescue an orphaned or vulnerable child from destitution and restoring hope into an otherwise hopeless situation.

Each child needs three sponsors in order to provide the holistic care that is an important aspect of the Arise and Shine vision. Your generosity will help fund everything the children need: meals, accommodation, schooling, medical and dental costs, not to mention the occasional day out!

Should you choose to sponsor a child, please fill out the attached standing order form. Once sponsorship has begun, you will receive a 'partnership pack' which includes a letter, the latest news letter, a picture profile of your sponsored child and information on how you can write to your child if you wish.

Many thanks for your support, have a fun run!
