

All Saints' Church **AUCTION OF PROMISES**

Please place a bid for yourself or perhaps you might like to bid for a special treat for a friend or relatives birthday or anniversary.

We will accept advance bids if you are unable to attend the event on the evening.

The Rules

When a bid is accepted, the purchaser will be given a note by the Auctioneer's runner indicating the lot number and the bid price agreed. This note should be taken to the cashier at the back of the hall for payment (in cash or by cheque, making all cheque payable to 'All Saints' Church, Stock). On payment, the items purchased will either be given to the buyer or details of how to redeem the item or service as appropriate.

All lots must be paid for by the end of the evening. If bidders could pay within a short time of making the successful bid, this will avoid a queue at the end of the evening.

It is up to the bidder to get in touch with the person offering the service, which can only be redeemed on production of the receipt issued on the evening of the auction.

Offers must be taken up within 6 months of the auction unless stated on the lot description or agreed with the donor.

All Saints' Church and the organisers of the Auction of Promises accept no responsibility of any kind with regard to any item or service sold/offered.
