Players & supporters are reminded that they must take home with them any plastic bottles they bring to home matches as it is very difficult for the club to dispose of these.

Plans are underway to arrange events for the 2nd half of the season to celebrate the clubs centenary year, including a quiz night, and family fun day.

Following the incident in the recent match against Old Chelmsfordians, when a player from the O.C.'s division 1 side came on a substitute in the match once the division 1 match had ended, both the league & club are considering a rule change to prevent this happening next season.

There have been a number of matches already this season where the league have discovered that a team has fielded an ineligible player and awarded the match to their opponents!

In his new year message the chairman of the Essex F.A. has stressed that he is determined to stamp out the use of foul and abusive language in matches.
