

Run of the Mill

1. After manager Jon Prior announced in February he was making radical changes to the team to improve results, the appearance of Mark Bland at right back in the next game led some to think that Mickey Dixon & Dave Elliott might be given a run out before the end of the season.
2. It was decided not to buy a portacabin to provide new changing facilities when pictures showed that it closely resembled a WW2 German gun emplacement.
3. It was obvious Anne Tully didn't find the game against Shelly Royals very interesting as when asked for a brief summary of the match she replied: "well, was it 1-0 or 2-0 at half time? I think we had a shot. I'm sure it was 2-0 at half time, or maybe it was only 1. Now who was it that scored for us – and Ray's head injury was very nasty.
